# NICRETE BRICK

## CLASSIC & TRADITIONAL

All Nicrete brick are integrally colored, which means that the color of the brick goes all the way through the unit. Nicrete Traditional brick have a smooth, matte finish with crisp, square edges, ensuring clean lay lines and a snug fit. Nicrete Classic offers a tumbled and more rustic finish. All styles of Nicrete Brick are also an excellent choice for commercial products that require brick-sized masonry units. Our Nicrete Brick products are produced to meet or exceed ASTM-C55-01a standards when tested according to ASTM-C140 testing procedures.
