

Durable, Economical, Easy to Use ...

NITTERHOUSE POLE BARN FOOTERS are an ideal alternative to using conventional forming methods for concrete footers and piers. Precast Pole Barn Footers can save contractors time, labor, and material costs, and still provide a solid foundation for posts and poles—perfect for providing a stable base for pole buildings, horse barns, decks, sheds, other small buildings, and free-standing signs.

Typical Uses:

Pole Barns, Horse Barns, Decks,
Storage Sheds, Mail Boxes, Gazebos,
Greenhouses, Free-standing Signs, etc.

Features & Benefits:

- ▶ Pre-cast for faster installation and construction.
- ▶ Circular shape for easy handling and snug in-ground fit.
- ▶ Quality-cast using standard gray concrete.
- ▶ Meets ASTM C-140 Standards for strength, absorption and density.

Nitterhouse Pole Barn Footers

Three Convenient Sizes:

- ▶ 12-in. Diameter x 6 in. Thick
- ▶ 16-in. Diameter x 6 in. Thick
- ▶ 18-in. Diameter x 5 in. Thick
