AB Lite Stones

At half the size of a regular block, easy-to-handle, lightweight AB Lite Stones is ideal for free-flowing walls and borders. The sleek, low-profile designs add graceful definition to walkways and borders. The hollow core allows drainage and becomes rock solid when filled, and the patented interlocking raised lip creates a built-in setback and eliminates the need for pins, clips, or mortar.

Piece	Dimensions	Approximate Coverage	Approximate Unit Weight	Units/Pallet
AB Lite Stones	3-5/8" H 17-5/8" W 12" D	0.45 Sq. Ft.	46 lbs.	64
