VILLAGE GARDEN WALL COLLECTION

This Collection has a rustic tumbled finish on all sides, making it an excellent option for two-sided walls. Our Village Garden Wall is manufactured in 5 aesthetically pleasing colors which complement our Village Paving Stones. This is a one piece system that has two size options 4 x 8 x 12 and 4 x 8 x 16. It can be successfully used both vertically and horizontally to yield beautiful patterns. Village Garden Wall can also be used to create a beautiful square fire pit to complement your Village Garden Wall or add a nice addition to any project.

CITY GARDEN WALL

City Garden Wall is the same great product as our Village Garden Wall but an untumbled, matte version. The City Garden Wall offers a clean-line, modern look on all six sides, making it a great option for 2-sided walls. Available in the same sizes as regular Village Garden Wall.
